~~PROPOSED~~ **ORDER GRANTING
PLAINTIFF'S REQUEST FOR
TERMINATION OF DOC. NO. 91 AND
DOC. NO. 100**

Date:

Time:

Dept: Courtroom E – 15th Floor

Judge: Magistrate Judge Elizabeth D. Laporte

21 Plaintiff Bradford Technologies, Inc.'s Motion for Joinder was electronically filed through
22 Pacer as Doc. No. 91, listing the type of motion as "joinder." After filing the motion, it was
23 discovered that electronic filing of a "joinder" motion through Pacer does not allow the filer to
24 choose responsive filing dates for opposition or reply. Plaintiff attempted to file its Motion for
25 Joinder a second time as Doc. No. 100, but the result was the same. After speaking with Pacer
26 customer service and contacting the Court, it was determined that the filing would need to be
27
28

1 made as a general motion in order to allow for the proper response filing deadlines to appear on
2 the electronic court calendar. The Plaintiff's Motion for Joinder was filed a third time as Doc.
3 No. 108, providing for responsive filing deadlines.

4
5 Plaintiff respectfully requests the Court to terminate the hearing dates associated with the
6 first two attempts to file Plaintiff's Motion for Joinder – Doc. No. 91 and Doc. No. 100.

7 IT IS SO ORDERED.
